

PRAYER GUIDE FOR DOMINICAN REPUBLIC MISSION TRIP

MISSION TRIP PRAYER REQUESTS

PRAY THAT:

1. God would be glorified by EVERY aspect of our trip.
2. Each of us would have eyes wide open for a personal and powerful encounter with God.
3. The unconditional love of God would radiate in and through each of our lives.
4. God would put a hedge of protection around the entire trip.
5. Satan would be bound from anything that distracts anyone from hearing the voice of God to the people we will be sharing.
6. God would give us strength and good health throughout the trip.
7. All participating in this trip would be sensitive to the leading of the Holy Spirit.
8. God would protect and provide for family members back home.
9. God's Word would be proclaimed with power and produce life change (transformation).
10. All team members would be bold and confident in being the light to those around us.
